### **Police ID victim in fatal Clarksville collision**

Howard County police are identifying the man who died in a crash this morning on Route 32 in Clarksville as Barry Martin Eastman, 31, of Ellicott City.

At around 8 a.m., Eastman's 2015 Kia Forte was traveling northbound on Route 32 when it crossed the double yellow line for an unknown reason. The Kia struck a 2014 Mack tractor trailer, driven by Ira Goldberg, 53, of Frederick, that was traveling in the southbound direction.

Eastman, who was the sole occupant of the Kia, was pronounced dead at the scene. Goldberg, who was the sole occupant of the Mack truck, was not injured.

Route 32 has been reopened in both directions.
